MyMathLab is an interactive website where you can:

- Self-test to improve your math skills.
- Study more efficiently.
- Create personalized study plans with exercises that match your book.
- Get help when you need it. Includes multimedia learning aids like videos and animations.
- Talk to a live tutor via a toll free number.

What do you need to get started?

- A MyMathLab Student Access Code, packaged with your book (you may also purchase online using a credit card)
- Valid email address
- A unique Course ID given to you by your instructor on the first day of class
- Your school zip code, 46202
- School name IUPUI (this is the format you will want to select!)

What steps do I take next?

- 1) Go to www.coursecompass.com and click on **Register**.
- 2) Click **Next** on the *Before You Start* page.
- 3) Enter your **Course ID** and click **Find Course**.
- 4) Verify the course information and click **Access Code**.
- 5) Type or paste your access code in the space provided. Your code is a series of six words separated by hyphens. Click **Next**.
- 6) Review the license agreement and click **I Accept**.
- 7) On the Access Information page, indicate whether you already have a Pearson account.
 - If not, select **No** and follow the instructions to create your login name and password.
 - If you have an account, select **Yes** and enter your login information.
 - Click **Next**.
- 8) On the Account Information page, if you are creating a new Pearson account, enter the appropriate information in the fields provided:
 - **Personal Information:** Your name and email address
 - **School Location:** Under zipcode, enter 46202. From the resulting drop-down list, select IUPUI
 - **Security Question:** To ensure the privacy of your account, select a security question from the drop-down list and then enter the answer
 - Click **Next**
- 9) The first time you enter the site from your computer *and* anytime you use a new computer, click on the software **Installation Wizard** on the Announcements page or on the navigational buttons on the bottom left side of the screen. This wizard will walk you through the installation of the software you will need to use the MyMathLab resources. Note: the software may already be installed in the school lab. Check with your lab administrator.

Need help?

- For online support, visit http://www.coursecompass.com/html/student_support.html Or, call 800.677.6337 Monday – Friday 8am – 8pm and Sunday 5pm-12am (all times EST).
