## CREDIT BY EXAMINATION

The Department of Mathematical Sciences allows students to receive credit in certain mathematics courses upon passing an examination administered by the department. Courses for which students may receive credit by examination are:

MATH 11000	Fundamentals of Algebra
MATH 11100	Algebra
MATH M118	Finite Mathematics
MATH M119	Brief Survey of Calculus
MATH 15300	College Algebra & Trigonometry I
MATH 15400	College Algebra & Trigonometry II
MATH 15900	Precalculus (Algebra & Trigonometry I & II)
MATH 16500	Analytic Geometry & Calculus I
MATH 16600	Analytic Geometry & Calculus II
MATH 22100	Calculus for Technology I
MATH 22200	Calculus for Technology II

### Please Note:

- There is no fee for taking an examination; however, students passing an examination may have to pay the University a fee for granting credit (see <http://registrar.iupui.edu/speccred.html>).
- Students wishing to take any examination must register to do so in the Math Office, LD 270, by submitting a completed Registration Form (next page) **signed by their advisor certifying that they have not received a grade other than a W in the course.**
- A picture ID is **required** for entrance into the examination room.
- Students must bring #2 pencils with which to take the exam.
- Students will receive an email sent to their official university email account with the result of their exam, approximately 48 hours after the exam has been administered.
- **Grades will NOT be given over the phone.**
- Upon passing the exam, the Math Department will forward the necessary paperwork to the Registrar's office, and special credit will be awarded on the student's transcript.
