

Application for Mathematics Minor

The Department of Mathematical Sciences

The course requirements for a minor in mathematics are

1. Either the course sequence MATH 163, 164, and 261;
or the course sequence MATH 165, 166, 171, and 261.
2. Two additional courses selected from mathematics courses (MATH) numbered 262 or higher or from statistics courses (STAT) numbered 350 or higher.

Additional requirements for a minor in mathematics:

1. Nine (9) credit hours of the minor must be completed at IUPUI.
2. The grade in each course submitted for the minor must be C (2.0) or higher.

To obtain the minor

1. Fill out the application (below).
2. Submit the application to Dr. Watt, LD270, Department of Mathematical Sciences, as soon as you have completed the requirements. However, IF you will be completing the requirements in your final semester, submit the request by:

September 30	if you plan to graduate in December,
January 31	if you plan to graduate in May,
May 31	if you plan to graduate in August.

Then, when you successfully complete the requirements, your request will be approved. If you are uncertain about whether a particular course will count, see Dr. Watt jwatt@math.iupui.edu. Note: It is the student's responsibility to submit this request in a timely manner to the Department.

Date: _____ Name (please print): _____

Student 10-digit ID: _____ Telephone: _____

Email: _____ Current major: _____

Current mailing address: _____

Signature: _____

Expected Graduation Date: Month: _____ Year: _____

Choose the required course sequence you completed, and fill in the corresponding table. (Fill in only one.)

Please indicate to the extent possible at this time the courses you have taken or plan to take to fulfill the minor requirements.

Course	Semester taken	Taken at IUPUI Yes/No	Grade
163			
164			
261			

Course	Semester taken	Taken at IUPUI Yes/No	Grade
